

THE JOINT RESEARCH AND DEVELOPMENT BOARD

COMMITTEE ON GEOGRAPHICAL EXPLORATION

GRM 2/1

TOPOGRAPHIC MODELS

**\*ARMY Declass/Release  
Instructions On File\***

AGENDA

of meeting to be held on 6 February 1947 at  
10:00 A.M. in the JRDB Conference Room

This meeting is being called for the purpose of holding  
informal discussions on two topographic model projects requested  
by the War Department General Staff. Those invited to attend  
represent various branches of the Services and civilian agen-  
cies of the Government. All have expressed an interest in one  
or both of the projects to be considered.

Because it is highly desirable, on behalf of economy,  
to have these models meet the needs of all branches of the  
Services and also the civilian Government agencies, it is  
hoped that each of you will enter into the discussions and  
that a general agreement may be reached regarding specifica-  
tions for both projects.

1. Introduction of Members of the Discussion Group.
2. General Objectives of the JRDB and the Committee on  
Geographical Exploration.
3. A Topographic Model of Alaska.

ANNEX "A"

4. A Relief Globe.

ANNEX "B"

5. Any items which may appropriately come before this group.
